unopened, with a notation in Hebrew that the addressee "Did not pick up the article". A copy of the envelope is attached herewith. The envelope is stamped with Registered stamps placed by the Israeli Postal Authority in Israel, and the address is crossed out by the Postman with the term "Did not pick up the article". This is how undelivered mail is returned to the sender in Israel.

I personally attempted on July 15, 2003 to locate Mr. Davelman through the Israeli Information telephone service. The operator advised me that there was no listing for Mr. Yuri Davelman. On July 15, 2003 I personally attempted to call Mr. Davelman at the last known telephone number, namely 04-626-2520, and received a recording of the Israeli telephone service that the phone number is not connected.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the patent application or any patent issued thereon.

Respectfully submitted,
